DIAGONAL HAIRLINES (0.35 PT)

SOLID AND 50% PATCHES

SMALL TEXT IN EACH COLOR (6 PT)

Cyan: Fine print shows missing dots before larger areas do. 0123456789

Magenta: Fine print shows missing dots before larger areas do. 0123456789

Yellow: Fine print shows missing dots before larger areas do. 0123456789

Black: Fine print shows missing dots before larger areas do. 0123456789

How to read it: every staircase should be complete and evenly spaced. Missing or bent lines in one color point to clogged or misfiring nozzles in that color. This page cannot fire individual nozzles the way your printer's built-in nozzle check does, so run that check too if you see gaps.
